

**87th BEST BY FAR**  
(Tune of a Norwegian Ballad "Best-a-far")

I'll tell you a story that's very true,  
Of a schuss-booming mountain crew.  
We'll schuss any canyon without a spill,  
And gelandesprung over the hill.  
The road to Japan is a downhill course,  
Berlin in a couple of weeks!

**The Eighty-Seventh's best by far  
We'll win this goddam war!**

**The Army skier's best by far!  
He'll drink you under the bar!  
The roughest, the toughest,  
we're dirty and mean,  
Hungry and lean,  
but our rifles are clean  
We'll fight to the finish,  
We'll schuss any hill,  
By yimminy ve vill-ll-ll!**

**The Eight-Seventh's best by far,  
We'll win this goddam war!  
The Eight-Seventh's best by far,  
We'll win this goddam war!**
